

# ADARE UNITING CHURCH NEWS UPDATE

Number 39, October 15<sup>th</sup> 2021

## FOOTLOOSE PLAYGROUP:

This term has been a busy one at Footloose, with up to 15 children attending on Thursday mornings now. Annita Foote has done an excellent job organising the music/singing segment and "The Mystery Box" contents each week have tied in with the craft activity. Parents have thoroughly enjoyed the delicious morning teas provided by church volunteers and the children love the fruit which is also donated. Many thanks to all these people and to those who have worked with the children. We would not manage without your help. Footloose recommenced on the 14<sup>th</sup> October and finishes the year on 9<sup>th</sup> December. If you are able to help let Bernice or Ruth know.

## OPERATION CHRISTMAS CHILD

Thanks to your generosity, **60 Christmas Boxes** will find their way to less fortunate children through the Samaritans Purse organisation. Along with the boxes was a **further \$250 in donations** that will help with transporting these to their final destination. Thank you to Max and Margie Vincent for their dedication and efforts to manage this on behalf of the Adare Church.

The boxes have been made even more special because of the efforts of **Pauline Read** (who made colourful library bags) and **Joyce Baxter** (who knitted beautiful beanies). Thanks, ladies, for these special extras and to the generous congregation at Adare who filled the boxes with love and joy.

## ABOUT THE MEN'S SHED.

On the 14<sup>th</sup> October 2011 the men's shed for Victor Harbor was born. This week it celebrates its 10<sup>th</sup> Anniversary. The ideas of a men's shed came from Ross Ford's study group who looked at church support for men's health. From humble beginnings (5 members) came opportunities, with many Friday sessions held at the Encounter Centre - until it became obvious that a permanent home was needed to cater for growing numbers. Approx. 3 years ago that dream was realised. Leadership provided by Dennis Williams and a team of church people developed a very special shed, catering for a wide range of needs and expectations.

At present there are 128 financial members and a weekly average attendance of about 90. It is financially self-sufficient. The shed is open 3 days a week, with Tuesdays nearly as popular as the original Fridays. Low-cost meals are available to members on these days.

The challenge for our church is to find continuing leadership from our church community. We give thanks in particular for the work of Dennis Williams, John Mardell, Ross Ford, Wayne Abbott, Murray Horsnell, Dean Wickham and Barrie Carbins from our church.

## WHOLE OF CHURCH LUNCH TOGETHER:

We have locked in the date of **14th November** for a 'whole of church lunch' at the VH Bowling club. They have a new chef, but will still do the meals at the same price for us as last time (**2 courses for \$22/head**).
