

Adare Update 43: 14th November 2021

OUR PEOPLE:

It seems that back injuries dominate health issues just at present. **Rod Dunbar** has been managing back pain for some time and would appreciate your prayers. **Beth Baker** has been taken to hospital because of her severe back pain. Pray for her health, comfort and recovery. Her son and daughter in law have been staying at a local caravan park and have been caring for her as they are able. **Marg Mathieson** and **Julie Kuchenmeister** are also experiencing back pain and seeking ways to manage and minimise their pain levels.

From Sven Thorvaldson

Thank you all for your thoughts and prayers during my recent illness. I am now well on the way to recovery and hope to be back in Church soon.

From Ann Richardson

Sincere Thanks to the friends at Adare.

Thank you for your concern, support, love and Prayers in my journey with Pancreatic Cancer. I am happy to report that the tumour has shrunk quite significantly.

I realise I still have a battle to face.

Many people at Adare are having trying times. Please keep spreading you Love and Prayers.

While I haven't been able to check this week, the following people need our continuing prayers. **Jill Magor** is experiencing some health difficulties. Others who come to mind who appreciate your prayers include **Beth Duke, Ross Ford, Betty Ginn, Sven Thorvaldson, Max and Margie Vincent, Ann Richardson, Fay Anderson, Leslie Barnes, Ruth and John Keith, Margaret and John Mathieson and Milton Hender**. All have significant health issues

If you recall, our church cleaner, **Amanda (Dixon) Pearce** was only allowed 5 people at her wedding when Covid intervened at the very last-minute last year. So ... at 2.00 pm on Sat 13th November she will have a full ceremony, and church members are welcome to attend. Rev Barrie Carbins will officiate as vows are revisited.

ANNUAL GENERAL MEETING OF THE CONGREGATION.

This will follow the church service on Sunday 28th November. **Jaelene Slade** has sent out separately reports from the various ministry areas within our church for your consideration and has also sent out short profiles of the people who have nominated for election to church Council. These need your approval at the AGM.

THANK YOU BOX:

Have you ever wondered who prepares all the information that appears on the large screen each Sunday? We take the words and images we see and sing to for granted, and also follow the bible readings on the screen. Our data show team which includes **Lorraine Carbins, Heather Osborne, Lindsay Pryde, and Ken Mableson** help make our worship more enjoyable. We may not notice them as they serve, but we do say thank-you to these unsung heroes.

ADARE CHURCH GARAGE SALE:

Saturday, 23rd April 2022

With less than 6 months now until our sale, I would like to encourage any gardeners amongst you to begin potting, so that plants are well established by April. Any queries should be directed to Anne Richardson or Gloria Griffin.

Pauline Read has a friend who is very happy to make jam for our sale. If you have surplus fruit anytime, Pauline would be pleased to hear from you. Besides jam, we would also be grateful for jars of chutney etc to sell.

If you have goods to donate, they can be brought to the church on Thursday or Sunday mornings. If you would prefer them to be picked up, please contact Bernice or Wally. We sell electrical items, bric-a-brac, Manchester, craft, toys, plants, books, jigsaws, games, CDs & DVDs, jewellery, pictures, hardware & some furniture.

Lorraine Carbins has done an outstanding job of supporting the work of our church since Vanessa Weise shifted to the city. However, Church Council need to fill the position permanently and the position has been advertised 6 hpw. A job descriptor and person specification are available from the church office (or from Peter Manuel). **Please bring this to the attention of anyone you think might be suitable and is looking for a part-time role. Applications close 1st Dec.**

Peas be with you....Next!

FROM THE GREEN TEAM:

I am emailing you regarding the Green Team Operations that support the Schoolies Festival at Victor Harbour in a couple of weekends time.

I am a part of a volunteer group that organise Recharge which is a group of older volunteers that support the Green Team volunteers at the Schoolies Festival each night. Recharge is a place where the Green Team volunteers come for a break from the festival. As you can imagine the festival is quite full on for the volunteers and the Recharge team support them by providing them with toasties, soup and biscuits.

There are around 350 volunteers that we would be supporting. We are wondering if there might be members of your church community that would be willing to support us to support them by helping us with any donations of biscuits, gluten free, dairy free pumpkin soup or bread?

We are staying at accommodation in Goolwa and would be happy to arrange a time to collect any donations that you felt that your congregation could provide on Friday November 19. Thank you for your consideration of this.

Blessings Deb Mugford
Green Team volunteer

Don't forget the church lunch at Victor Harbor Bowls club 12 noon this Sun 14th November. All welcome.
