For rural and remote communities as borders re-open. For our Bush Chaplains in supporting rural communities. For all people to have access to vaccines and on-going healthcare support.

THANK YOU BOX:

Peter Forth has supplied the thank you information this week. "For many years our well-known Adare Garage Sale has been held with great success. Thousands of dollars have been raised for the extension of God's kingdom here at Adare and in the wider community of Victor Harbor. This event has just not happened on the day. Many months of work by countless numbers of dedicated people make this happen."

Although Covid 19 was present in our last sale the result was marvellous. You know who the organisers are, so pat them on the back and say "Well done and thank You."

From Faye Anderson: I received good results from last week's scan, so great news. many thanks for prayers and kind thoughts
