The Men's Shed Committee has decided that (like many other organisations) they will adopt a "no vax, no entry" policy for all members & visitors.

Proof of double vaccination will be required to enter the Shed, and Committee members and Covid Marshals will be available to sight these documents. Electronic and paper versions will be accepted.

It is expected that 80% double vax will be reached in SA by late November or early December and that the policy will be implemented from the 1st of December.

THANK YOU BOX:

This week Jeannie Watson brings to our attention our worship leaders who put much thought into their joyful and appropriate choices of prayers and songs.

Others have pointed to the loving work associated with Kidz Church and the wonderful commitment and skills of Barb Gepp (and helpers) who for the past 25 years has faithfully and skilfully coordinated activities for many, many children.

And then there is the generous catering provided for us by Rae Cranwell with a number of helpers on the day to support "Frontier Services", and the organisation of a suitable fund-raising event by Anne Craig.

OUR CHURCH IS BLESSED WITH GOOD LEADERS AND WE GIVE THANKS!

FACING FACTS:

A little girl was sitting on her grandfather's lap as he read her a bedtime story.

From time to time, she would take her eyes off the book and reach up to touch his wrinkled cheek. She was alternately stroking her own cheek, then his again.

Finally, she spoke up, "Grandpa, did God make you"

"Yes, my sweetheart," he answered, "God made me a long time ago."

"Oh," she said. "Grandpa, did God make me, too"

"Yes, indeed, honey," he said. "God made you just a little while ago."

Feeling their respective faces again, she observed, "God's getting better at it, isn't He"
