

Seasons Greetings

May the birth of the Christ Child shape our futures with hope, peace, joy and love

YOUR COMFORT – VENTILATION:

It is very difficult to satisfy all people in relation to heating, cooling or air movement in our church. The Property Committee have reviewed our current policy (which closes all windows and uses the air conditioners set at 23 degrees centigrade) in response to concerns to that we need to circulate more air from outside especially during COVID times. They have sought advice from Below Zero, who have advised that our conditioners only recycle existing air. They are advising that the system could cope well with 2 windows opened allowing the input of fresh air while maintaining a comfortable temperature. Property Committee are recommending this as our new policy. Church Council will discuss this at the January meeting and you are welcome to make comment.

PLANT SALE:

Gloria Griffin, Ann Richardson and Faye Anderson will hold a PLANT SALE AT 3 WHEATON COURT VICTOR HARBOR **SATURDAY JANUARY 15TH 2022** from 9am to 4pm. Proceeds to ADARE UC. Plants can be left at Gloria's from 10 am - 1pm on Friday 14th January

Fri 24th Dec - Christmas Eve 7.00pm
- Rev Trevor Klar

Saturday 25th Dec - Christmas day
- Jim Hayward 9.30

Sunday 26th Dec - **Adare Church Holiday**
– a good chance to worship elsewhere

Sunday Jan 2nd - Rev Trevor Klar (HC)

Sunday Jan 9th - Jim Hayward #

Sunday Jan 16th – Rev Barrie Carbins #

Sunday Jan 23rd - Rev Anne Butler

* **Worship leader** # **Morning Tea**

HAVE YOU NOTICED?

Our property Committee have been busy and Ken Pratt has coordinated the repainting of all facias and eaves in our church. It is looking good.

This is your last newsletter update for 2021. My thanks to Jim Miles who has provided a very real service in distributing the updates to those who do not have internet access. I hope that these weekly updates have helped filled a gap in our communications since COVID.

We still do not have a full-time minister (but hasn't it been wonderful to have had the skills of Rev Peter Moss and Rev Trevor Klar who have been well supported by the preaching team of Jim Hayward, Peter Smithson and Barrie Carbins). Trevor has agreed to continue working with us until Easter, and we are indeed indebted to him. We still haven't attracted office staff and are indebted to Lorraine Carbins who continues to hold the fort.

Please keep in your prayers our many people with significant illnesses and those with medical skills who support them. Add Jill Magor to your list – she has been in Flinders since last Wednesday, but hopes to be home for Christmas.

Blessings.

Peter Manuel (Council Chairperson).
