

THANK YOU BOX:

It is so easy to take worship for granted and not recognise the preparation and delivery skills required to make our worship very special week by week. We have a small group of unsung heroes who sit at the rear of our church, but drive everything that happens each Sunday. So, join with me today and say thanks to the following:

NEWLAND PERFORMING ARTS CANCELLATION:

In view of the rapidly escalating numbers of Covid positive results throughout South Australia it is unfortunate (but prudent) that the Newland Memorial Uniting Church, Victor Harbor, has decided to **cancel** the forthcoming **Live Arts at Newland concert with String Fever next Saturday evening (7:30 pm)**

2022 COMMUNITY EVENT OF THE YEAR - "LIVE ARTS AT NEWLAND"

Adare congratulates Newland on its success in winning the *Community Event of the Year*. The first Live Arts at Newland concert was held on 15 November 2020 and has recurred each month since, drawing patrons from across the Fleurieu Peninsula and beyond. The concerts successfully bring together a diverse range of musical performances to nurture community wellbeing and mindfulness. The convenience of regular concerts in one of Victor Harbor's iconic buildings has been appreciated by patrons, especially by those who have been reluctant to venture far during the pandemic. Feedback received from audience members highlights the concerts as being an asset to the local community and makes excellent use of the crescent shaped acoustic performance space available at Newland.

ABOUT OUR PEOPLE:

Both **John and Marg Mathieson** shifted to Adelaide on Thursday (13th Jan). They have served our church well with music, art and bible studies and will be sadly missed. Their new location is in Southern Cross Care – "The Pines". The actual address is Apartment 1B, 336 Marion Road, North Plympton, 5037. We wish them well in their new environment.

Sadly, **John and Ruth Keith** are both in the South Coast private hospital, and have been for a week or so. They are struggling.

Leslie Barnes had a misadventure at the Red Orchid restaurant when his chair collapsed as he was sitting down. The chair leg fell off causing Leslie to hit his head on a foot support beam and spread full length on the concrete pavement.. Leslie has needed a cat scan and x-rays and remains in some pain. He would appreciate your prayers.
