Sun Feb 27th - Peter Smithson

MORNING TEA has been cancelled indefinitely as it is a non critical activity under the COVID SAFE plan.

JOINT NOMINATING COMMITTEE: (JNC).

The elected JNC has been working diligently with the UCA Placements Committee to find a full time Minister whom we believe will serve us well over the coming years. It has been a time-consuming exercise but unproductive at this stage, as the JNC has not accepted a number of people following conversations with prospective ministers. The JNC wishes to get it right!

In the meanwhile, we have been delighted with the work of Trevor Klar (and previously Peter Moss). Trevor Klar has generously extended his appointment, but will leave us at the end of March 2022. We may need to go it alone for a while!

A PHILOSOPHY FOR LIVING:

You only get to keep what you give away.

- **It's a universal law:**
- You have to give before you get.
- You must plant your seeds before you reap the harvest.
- The more you sew the more you reap.
- In giving to others, you'll find yourself blessed.
- The law works to give you back more than you have sewn.
- The givers harvest is always full.
- Those who obtain have little.
- Those who scatter have much.

Nature does not give to those who will not spend.

WISDOM:

Sunday after church and mum asked her very young daughter what the lesson was about. The daughter answered, *"don't be scared, you'll get your quilt"*. Needless to say, the mum was perplexed.

Later in the day the pastor stopped by for tea and mum asked him what the morning Sunday school lesson was all about. He answered *"be not afraid, your comforter is coming"*.

Dear haters, I couldn't help but notice that 'Awesome' ends with 'Me' and 'Ugly starts with 'U'

" YES, I THINK GOD STILL WOULD WANT YOU TO SAY GRACE FOR ASPARAGUS AND CARROTS. "

EVERYTHING I NEEDED.

I asked for **strength** ... and God gave me difficulties to make me strong
 I asked the **wisdom** ... and God gave me problems to solve
 I ask for **prosperity** ... and God gave me brain and brawn to work
 I asked the **courage** ... and God gave a danger to overcome
 I asked for **love** ... and God gave me troubled people to help
 I asked for **favours** ... and God gave me opportunities
 I received **nothing I wanted** ... I received **everything I needed.**

OUR PEOPLE: Dealing with an illness can be one of the most stressful and anxiety-inducing seasons of life. For those who are sick, it can be isolating and scary. For the loved ones of the ill, it can feel helpless and overwhelming. It can be easy to feel like you aren't in control of your feelings or situation if you're suffering. Seeking comfort from a 'higher power' who is in control can help. Here is a prayer you might like to pray.

I pray that you would give me strength to be strong for You in the world today. Lord, you know the struggles that I will face today. Be with me as I go through them. Carry me if I am too weak to move and if I stumble in them, forgive me Father. Make me an instrument of your peace and to you Lord be praise and honour!

HEALTH ISSUES:

If you have health issues and you are prepared to share with others so that we can bring your needs for prayer, please let me know.

Similarly, let us know when health has been restored or you have some points of thanks to share.

ONE CHURCH:

There may be 16 churches in Victor Harbor but we worship the one God. The Uniting Church has congregations at **Yilki, Newland, Port Elliot and Adare**. We may all worship in different ways using different leadership, but we still worship the same God.

It makes sense that from time to time we share in worship and come together in thanksgiving and praise. so, on **SUNDAY 20th February** we will close Adare doors for the day to worship together at NEWLAND UC. Church times will be the same, and the **Rev Trevor Klar** will be the preacher. Leadership will be shared between Adare leaders and those from Newland. *Please make the effort to attend and to mix with fellow Christians.*

In the future we may consider repeating this in months where we have 5 Sundays – but let's share on the 20th for starters!

YOUR WEEKLY UPDATE!

Changes to internet security laws are now making Internet Service Providers more accountable for 'content' and to stop 'spam' and known 'hoaxes'. While this is good, it is now working against us.

Each Friday I send our about 140 updates to keep worshippers in the loop. Because this goes to so many, your Internet Service Provider may see information from me as 'SPAM' and it will go into your spam folder and not into your normal emails. Please check your spam folder if you can't find the update in your emails by Friday evening.

When you find the email, also click on the tab to indicate 'this is not spam'. Peter
