Please note that the World Day of Prayer service in 2023 will be hosted by the Adare Uniting Church.

PRAYER TRIADS: (reminder)

Give some thought please to the formation of prayer triads where your fellowship can be with God over the next ten months.

ONE CHURCH:

There may be 16 churches in Victor Harbor but we worship the **one God**. The Uniting Church has congregations at **Yilki, Newland, Port Elliot and Adare**. We may all worship in different ways using different leadership, but we still worship the **same God**.

It makes sense that from time to time we **share in worship** and come together in thanksgiving and praise. so, on **SUNDAY 20th February** we will close Adare doors for the day to **worship together at NEWLAND UC**. Church times will be the same, and the **Rev Trevor Klar** will be the preacher. Leadership will be shared between Adare leaders and those from Newland. *Please make the effort to attend and to mix with fellow Christians.*

In the future we may consider repeating this in months where we have 5 Sundays – but let's share on the 20th for starters!

[YOUR WEEKLY UPDATE - Can't find it?!](#)

Changes to internet security laws are now making Internet Service Providers more accountable for 'content' and they are obliged to limit 'spam' and known hoaxes. While this is good, it is now working against us.

Each Friday I send out about 140 updates to keep worshippers in the loop. Because this goes to so many, your Internet Service Provider may see information from me as 'SPAM' or 'JUNK' and it will go into your spam/junk folder and not into your normal emails.

If you haven't received your weekly Update by lunch time on a Friday, check your spam/junk folder. If it is there you can open it and click on "This is not junk".

If all this is too hard, then you can always go to the church website adarechurch.com.au and click on newsletters to access the latest updates.

PEOPLE:

Sad News: Jill Magor is now in SCPH in palliative care. Please pray that her passing will be peaceful and pain-free. Pray too for John at this difficult time. Under current Covid rules family only is permitted to visit.

Better News: Faye Anderson received pleasing results from her latest scan – prayer answered!

I have it from authority (Rev Trevor Klar) that the blog on <https://giftsinopenhands.wordpress.com/2022/01/31/god-companion-com-panion-with-bread/> sometimes has helpful prayers to support concerns. Take a look.

**When it's tough going,
remember Jeremiah 17:7-8**

Blessed are those who trust in the Lord,
whose trust is the Lord.
They shall be like a tree planted by water,
sending out its roots by the
stream.

It shall not fear when heat comes,
and its leaves shall stay green;
in the year of drought it is not anxious,
and it does not cease to bear fruit.

**The February 2022 Edition of Frontier
News is Out Now!**

In this month's issue, there are some incredible stories that I hope you will love reading.

There are stories and reflections from our Bush Chaplains at the frontline including Rev. Deacon Peter Harvey – our newest arrival serving bushfire ravaged East Gippsland in Victoria – and Pastor John Tomkins, who supported the traumatised people of Carnarvon in Western Australia during the 18 long days when four-year-old Cleo Smith was missing. We journey to Erika's sheep farm also in Western Australia, where our remarkable Outback Links volunteers have been helping her rebuild after the devastation of Cyclone Seroja. One Outback Links veteran, 84-year-old Geoff, takes us along the path that led him into 13 incredible years of voluntary work.

HUMOUR from NEWLAND NEWSLETTER

A sweet old lady telephoned St Joseph's Hospital.

She timidly asked, "Is it possible to speak to someone who can tell me how a patient is doing?"

The operator said, "I can, what's the name and room number?"

The old lady in her weak voice said, "Norma Findlay, Room 302."

The operator replied, "Let me place you on hold while I check with her nurse."

After a few minutes the operator returned to the phone and said, "Oh, I have good news, her nurse

just told me that Norma is doing very well. Her blood pressure is fine; her blood work just came back as normal and her physician, Dr. Cohen, has scheduled her to be discharged on Tuesday."

The old lady said, "Thank you. That's wonderful! I was so worried! God bless you!"

The operator replied, "You're more than welcome. Is Norma your daughter?"

The old lady said, "No, I'm Norma Findlay in 302. No one tells me anything!"

"Sorry about all this – It
was Pilate error."
