Rebecca Sharkie will be cooking lunch for the MEN'S Shed PIE FLOATER & Mash.

Our band **the ADARABLES** will be playing at the Victor Harbor Golf Club on Thursday 2nd June from 6.00 pm to 8.00 pm. It's a Club Night with music, dancing (perhaps), raffles and good company.

The kitchen serves a variety of reasonably priced tasty meals – so if you would like to join us, just contact the Golf Club on 8552 2030, book a table and invite a friend or two.

We would love to see you.

SAM - Self Appointed Manager of the band (Di Pratt)!!

I have been sent some photographs, but more are welcome. (Please note that I need landscape, not portrait orientation.)

LESSONS FROM GEESE:

Fact 1

As each goose flaps its wings, it creates an 'uplift' for the birds that follow. By flying in a 'V' formation the whole flock adds 71% greater flying range than if each bird flew alone.

Lesson

People who share a common direction and sense of community can get where they are going quicker and easier because they are travelling on the thrust of one another.
