PASTORAL CARE SUPPORT:

The Adare UC Council has engaged Rev. Peter Moss eight hours per week for the next 13 weeks to support the pastoral needs (e.g. sickness, personal issues, funerals, individual needs, prayer needs etc). He will also take some personal leave between now and October, so you may wish to liaise with Jeannie Watson when Peter isn't available. Most times you should be able to contact Peter directly on his phone.0409 672 979..

REGARDING COVID19:

Many may think that as a nation Australia is doing well with managing Covid. However, recent information states otherwise. Australia has the highest rate of Covid cases per capita in the world.

As a church we need to be mindful of keeping ourselves safe from Covid and be mindful of the safety of others. As we all know, Covid restrictions have eased considerably, but the virus is still out there in the community. Let us continue to look after each other!

LESSONS FROM GEESE:

Fact 5

When a goose gets sick, wounded or shot down, two geese drop out of formation and follow it down to help protect it. They stay with it until it dies or is able to fly again. Then they launch out with another formation or catch up with the flock...

Lesson

If we have as much sense as geese, we will stand by each other in difficult times as well as when we are strong.
