Judith Nowland passed away 8th July. Her funeral will be at Adare on 5th August at 10 am.

COVID is still doing the rounds of our church members. We need to be vigilant in terms of our social distancing and hand washing and wear a mask in busy locations. The symptoms are quite unpleasant and can be life threatening.

CHURCH COUNCIL:

Church Council meeting on July 20th will discuss the issues around providing Funeral Services at Adare. Any member who may be able to assist in the decision-making process around the many facets of this service is invited to attend the meeting at 1.30 pm in the small meeting room. Please give your name to the Secretary, Anne Craig (8552 6090) by Sunday 17th July.

Church Council determined at its last meeting that we would receive a Love Offering on Sunday, August 7th towards the work of Frontier Services, when we will have the Rev. Sunny from Parkin Sturt Patrol as the guest preacher for the day.

COVID is still doing the rounds of our church members. Synod recommendation: *We strongly encourage congregations to consider mask wearing in worship, especially as they walk to their seats and when singing.* We are also resuming the previous seating arrangements in the church for the foreseeable future.

A review of the Security Clearances to make Adare UC a Safe Church is in progress. Our records show that some Screening and Authority Requests for the Uniting Church for General Employment Probity Screening and/or Child Employment Screening have now expired and must be renewed if you are an active participant in the running of the Church.

If you have already renewed your clearance, please bring a copy into the office for sighting and to file in the church records. Please see Pat Keep if you require assistance.

VICTOR HARBOR MEN'S SHED:

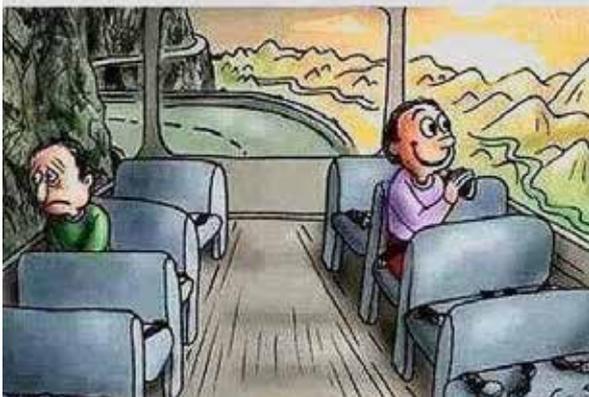

Paul Shinkfield is involved with a group organising the "Homelessness Fundraiser" to be held on 16th July.

Part of the fun involves the chance to win a trailer load of firewood.

If you'd like more information on this very worthy cause, have a yarn with Paul. Some of our members will be involved helping on the night.

So much of our happiness depends on how we choose to look at the world.

I was at home last week when I spotted 2 burglars in my garden shed. I phoned the police and was told that no squad car could get to my house for at least 20 minutes, so I hung up.

Five minutes later I rang back saying, 'There is no need for the squad car now, I've shot them both!'

Within two minutes there were four squad cars and a fully armed response unit outside and they caught the burglars red-handed. The chief came up to me and said, 'I thought you said you'd shot them?'

I replied, 'And I thought you said there were no police cars in the area!'
