## VICTOR HARBOR MEN'S SHED:

Sad News: For those who have not heard, we sadly lost one of our valued members, Bill Stephens, last Wednesday, 15th June, following earlier heart issues and pneumonia. Our thoughts and prayers go out to his wife Pauline, and the family. Bill was a great bloke, who loved the Men's Shed!

Bill's funeral will be held this Friday 24th June, at 2 pm at Kleemann Funeral Chapel in Lobethal, and will also be live-streamed through their website (look for William "Bill" Stephens).

Wednesday 17th August

A visit to Murray Bridge Men's Shed will leave from VHMS at around 9.00, spending the morning looking over their Shed, followed by a BBQ.

We will go in 4 or 5 cars. Please put your name on the list, or talk to Cliff.

## Australian Soul:

At 9.30 pm on 28th June, and as part of the ABC's 90th anniversary, Compass hosts a unique conversation about our Australian soul. Exploring what sort of nation we are today; what we believe in, what values we hold dear and what's challenged those beliefs.

Drawing on rich ABC footage from the Compass archives, Geraldine Doogue's wealth of knowledge anchors this powerful discussion with guests Envoy for Reconciliation Patrick Dodson; Director of Adelaide Writers' Week Louise Adler; Jesuit priest and human rights lawyer Frank Brennan and cross-cultural consultant Tasneem Chopra.

On Wednesday 29th June a number of us have decided to go see Elvis at the Victa Cinema. We plan to obtain a meal/movie deal (@ \$30 pp) at the Grosvenor Hotel being there at 11.30 sharp for lunch prior to the 1.10 movie. Please book yourself in (via the Grosvenor) if you are interested.

## COMPUTING CENTRE NEWS JUNE 2022

The Port Elliot Computing Centre will be closing after the session on Wednesday 29 June 2022, 10 am to 12.

Should you need assistance in the future the Libraries in Victor Harbor, Port Elliot or Goolwa may be able to assist you.

The Centre has operated for almost twenty-two years, beginning in 2000. Avis Miller, a member of the Port Elliot Uniting Church, together with church and community members, began PEITAC, (Port Elliot Information Technology Access Centre). They were all committed to assisting people in the community with using their computers. There have been many technology changes over the years moving to assistance with Tablets and Smartphones as well as still assisting with computing.

We are thankful for the many kind Volunteers who have committed much of their valuable time to assist in running the Centre, with hundreds of people benefitting from the volunteers' help over the years.
