Today at **FOOTLOOSE PLAYGROUP**

we had a special superheroes dress-up day. Parents and children enjoyed dressing up in a range of costumes – from Elsa (Frozen) to Batman, Superman, Spiderman and Wonder Woman. This was a special time as the children were being ‘Heroes for Heartkids’, raising money in aid of children who are born with congenital heart defects. One of our playgroup members (Hamish Foote) is a heartkid and on the wait list for heart surgery in Melbourne. Congenital heart disease is the most common birth abnormality, affecting 1 in every 100 babies. There is no known way to prevent congenital heart disease, with the impact being lifelong. After learning about Heartkids, the children had fun creating their own special superhero masks to take home.

If you would like to donate to Heartkids please follow this link: <https://www.hero4heartkids.org.au/my.../468/ashley-foote>

I woke up this morning determined to drink less, eat right and exercise...
But that was 4 hours ago...when I was younger and full of hope.

MEN'S SHED:

Paul Shinkfield is involved with a group organising the “Homelessness Fundraiser” to be held on 16th July.

Part of the fun involves the chance to win a trailer load of firewood.

If you'd like more information on this very worthy cause, have a yarn with Paul. Some of our members will be involved helping on the night.
