## PEOPLE:

John and Marg Mathieson are both struggling a little in their new environment. John has had a fall and Margaret has hurt her back in trying to assist. Keep them in your prayers.

Leon Parsons is doing OK mentally, but physically his body is letting him down. He has been moved to a hospice at Flinders. He too would welcome our prayers.

COVID is doing the rounds of our church members. We need to be vigilant in terms of our social distancing and hand washing and wear a mask in busy locations. The symptoms are quite unpleasant and can be life threatening.

## BIRTHDAYS:

Andrew Craig	09/07
Lesley Croft	14/07
Ken Buckley	15/07
Rosalie Somerset	17/07

## CHURCH COUNCIL:

Church Council has decided to forego their usual meeting on July 20th to discuss the issues around providing Funeral Services at Adare.

Any member of Adare congregation who feels they may be able to assist in the decision-making process around the many facets of this service is invited to attend the meeting at 1.30 pm at the church. If you would like to attend, please give your name to the Secretary, Anne Craig (8552 6090) by Sunday 17th July.

## BIBLE STUDY:

The Bible study group will meet from **2.00 to 3.00** at the church on July 21st. For more details, talk to Jim Hayward.

A review of the Security Clearances to make Adare UC a Safe Church is in progress. Our records show that some Screening and Authority Requests for the Uniting Church for General Employment Probity Screening and/or Child Employment Screening have now expired and must be renewed if you are an active participant in the running of the Church.

If you have already renewed your clearance, please bring a copy into the office for sighting and to file in the church records. Letters will be handed out on Sunday, or placed in the pigeon holes. Please see Pat Keep if you require assistance. Many thanks for your ongoing support.

## VICTOR HARBOR MEN'S SHED:

Paul Shinkfield is involved with a group organising the "Homelessness Fundraiser" to be held on 16th July.

Part of the fun involves the chance to win a trailer load of firewood.

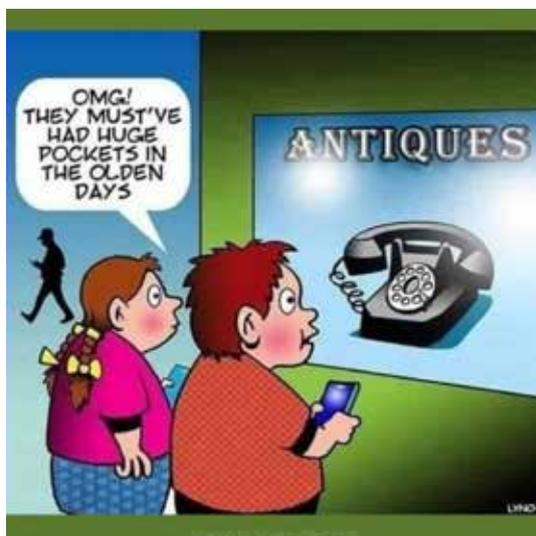

If you'd like more information on this very worthy cause, have a yarn with Paul. Some of our members will be involved helping on the night.

ALSO:

We were approached by Orienteering SA to allow the use of the Shed THIS SUNDAY, July 10th, for a big event in Victor Harbor.

The event is being coordinated by Professor Ben Cazzolato from the University of Adelaide, and he wondered if any of our members would be interested in participating this Sunday morning. Some of our members will be around the place.

For those who don't know, orienteering involves travelling around a course using a map (& compass). I understand there will be different courses, according to experience.

A second grader came home from school and said to her grandmother, 'Grandma, guess what? We learned how to make babies today.'

The grandmother, more than a little surprised, tried to keep her cool. 'That's interesting,' she said, warily. 'How do you make babies?'

'It's easy,' replied the girl. 'You just change "y" to "i" and add "es".'

## GARAGE SALE:

The final tally from this year's Garage Sale was \$14,827.45, a wonderful achievement by everybody involved.

Next year our sale will be held on 22nd April. If you have any donations, they can be dropped off at the church on Thursday or Sunday mornings.

If you need assistance, please contact Bernice or Wally.

We don't take cooking or gardening books, Reader's Digest condensed books, encyclopaedias, magazines, videos, cassette tapes, large furniture items or clothes.

Kind regards *Bernice (Humphrys)*
