To whom it may concern

My name is Samuel; I am 28 years old and I a collector of Australian Television.

*I am writing as I would like you to consider putting aside old VHS, Umatic and Betamax video
tapes at your next Garage Sale Event. I am on the search for VHS recorded from the television,
not store purchase/professional tapes.*

*I am happy to drive to pick them Up, I have equipment to convert them and I am always on the
lookout for old TV shows/commercials.*

*Please note any mouldy, broken cases, tapes with no covers or tapes that need fixing please
send to me as I can fix them. Though water damaged tapes I can't fix.*

There is a box in the church foyer where you can leave any donations which will then be
collected by Sam. **Please note that he doesn't want store bought videos & we also don't
take these for our Garage Sale.**
