From Advent to Emmaus: Dr Luke Narrates The Gospel

The Centre for Music, Liturgy and the Arts is pleased to announce the publication of *From Advent to Emmaus* – a book of 54 dramas for worship based on Luke's Gospel written by Jim Hayward.

Step back in time to the first century as Luke and his scribe put the Gospel stories into print. This collection of drama scripts features Dr Luke narrating one of the Bible passages to his scribe Nathanael while the two have a conversation about the story behind the passage. The conversations are insightful, thought-provoking and witty.

Dr Luke and his scribe Nathanael are the two characters in each drama, providing a continuity of character and narrative across the series.

I'll call it my oughtabiography.
