The film **BONHOEFFER** is being released in cinemas across Australia on March 13.

Bonhoeffer is a powerful biographical drama about Dietrich Bonhoeffer, a German theologian and pastor who opposed the Nazi regime during World War II. The film chronicles his faith, moral dilemmas, and resistance efforts, including his involvement in plots against Hitler. Ultimately arrested and imprisoned, Bonhoeffer's legacy as a martyr and symbol of courage continues to inspire discussions on ethics and justice.

**Two things define you:
Your patience when you have
nothing,
and your attitude when you have
everything.**

Yesterday, I had the misfortune of being served by the most uncoordinated and untrained cashier in the whole market.

I can assure you that I will never use Self-Checkout again.
