Easter at Adare

Easter at Adare was very special with the displays created by Hunter. There could not have been much sleep prior to Good Friday.

On Good Friday the tomb where Jesus was laid to rest was for all to see.

When Easter Sunday arrived, Hunter was busy at work creating an Easter Garden, filled with light as the tomb was opened, and surrounded by the brightness of the colourful flowers.

The children were treated to a story from Rev'd Janice and of course Easter eggs.
