REV'D JANICE'S

day off next week is Friday
June 12.

When a torch grows dim or quits working, you don't throw it away; you change the batteries.

When a person messes up and finds themselves in a dark place, do you cast them aside? Of course not; you help them change their batteries!

Some need AA...Attention and Affection

Some need AAA...Attention, Affection and Acceptance

Some need C...Compassion

Some need D...Direction.

And if they still don't seem to shine, simply sit with them quietly and share your light.

"We put our hope in the Lord. He is our help and our shield. In him our hearts rejoice, for we trust in his holy name. Let your unfailing love surround us, Lord, for our hope is in you alone."

Psalms 33:20-22

WORDS OF WISDOM FROM CHILDREN

Don't pull dad's finger when he tells you to
– Emily, age 10

When your mum is mad at your dad, don't let her brush your hair.
– Taylia, age 11

Never allow your 3-year-old brother in the same room as your school assignment
– Traci, age 14

Don't sneeze in front of mum when you're eating crackers.
– Mitchell, age 12

Puppies still have bad breath even after eating a tictac.
– Andrew, age 9

I read that, by law, you have to turn on your headlights when it's raining in Sweden.

How am I supposed to know if it's raining in Sweden?

Funny set of rules!?!
You're not allowed to cycle, but you are allowed to injure a young child or elderly person!

The salesman at the furniture store told me, 'This will seat 5 people without any problems.'

I said, 'Where the heck am I going to find 5 people without any problems?'

Cop: "Do you feel safe at home?"

Me: "No, my bills are trying to kill me!"

My Teacher pointed a ruler at me and said, "At the end of this ruler is an idiot."

I asked,
"Which end?"
