PEOPLE

We ask for your prayer for Judy's comfort and peaceful transition, for Rod and the family's strength during this tender time, and that we may all feel God's sustaining grace.

You're Invited to a Special Offering

On Sunday, 4 October we're holding a retiring offering to support Frontier Services - a ministry that brings hope and help to remote and under-served communities.

Your gift will help bring vital services and care to those who need it most. Whether you give \$5 or \$50, every amount makes a real difference.

"I don't think the new electric fence is engendering the fear we intended."

At a couples counselling meeting, the speaker mentioned that couples are so disconnected that 85% of husbands don't know their wife's favourite flower. Mick turn to his wife and whispered, 'It's self-raising, isn't it?'

One evening after dinner, a young boy asked his father, 'Where's Mummy?'

'Mummy is at a Tupperware party.'

This satisfied the boy for only a moment. Puzzled, he then asked, 'What's a Tupperware party?'

Figuring a simple answer was best, the man said, 'Well, son, at a Tupperware party, a bunch of ladies sit around and sell plastic bowls to each other.'

The boy nodded, then burst out laughing and said, 'Come on Dad! What is it really?'
